Limited Focus on Academic Language

For students targeting the Academic module, the series may lack sufficient emphasis on academic vocabulary, essay structures, and data interpretation skills necessary for success in academic settings.

Resource Accessibility

Some institutions or individual teachers may find the cost of the series prohibitive, particularly when considering licensing fees for multiple copies or digital access.

Need for Skilled Teachers

The effectiveness of the program depends heavily on the teacher's expertise in IELTS assessment and in implementing communicative teaching strategies. Less experienced educators might struggle to maximize the potential of the resources.

Technological Integration

In an era increasingly dominated by digital learning, the series' traditional print-based approach may require adaptation to online or blended learning environments, which could involve additional resources or training.
